JOB OPPORTUNITY – GRAPHIC ARTIST, PART TIME, KNOXVILLE TN

DO YOU HAVE INDUSTRIAL & GRAPHIC DESIGN EXPERIENCE WITHIN A MEDIUM TO LARGE SIGN COMPANY?

Signmanager is a signage consulting business that provides technical expertise, national procurement and project management services. We provide these services to corporate clients with large geographic networks using our technical expertise, web based management systems and a national contractor network in order to guarantee best market value and reliably manage their signage requirements, so they are assured of the best possible management of their signage portfolio.

An opportunity exists for the above position, located in our Knoxville TN office. Reporting to the national project management team, your responsibilities would include, but not restricted to the following.

- Preparing technical design, sign manuals, photo montages and artwork for client approval, contractor tendering and manufacture.
- Experience in graphic design using Corel Draw and/or Adobe Illustrator.
- Qualifications in Graphic and industrial design preferred.
- Technical background in the sign manufacturing industry will be an advantage.
- Occasional interaction with clients to understand their requirements.
- Provide creative technical design solutions to achieve the best outcomes.
- Strive for continual improvement of our systems and customer service levels.
- Ensure neat, timely and accurate results for the project managers.
- Work with other members of the Signmanager team to ensure best outcomes are achieved.

A competitive hourly rate will be negotiated with the successful applicant.

If you are interested in this exciting opportunity, please email your “Expression of Interest” and resume to admin@signmanagers.com or visit our website at www.signmanagers.com and click on the “Careers” button.
