

**DRV-1260-U**

## THE RIGHT AMOUNT OF POWER FOR YOUR APPLICATION

France **NEW TruPower Utility Drivers** are built for specific uses according to the demand of your project or market. When your application doesn't need a 100% loadable workhorse or it requires the ability to dim your lighting, that's when our utility drivers shine. Built on our backbone of quality, these new drivers provide more power options putting you in control of the build. All from a brand you can depend on . . . France Lighting Solutions. For more details on each of these drivers and their features, click this link: [PRODUCT SERIES COMPARISON CHART](#).
